Royal Abraham Wealth Creation Club Membership is of 2 categories:

- 1. The Royal Abraham Business Club (Membership fee is Kshs. 4,000/=)**
- 2. The Youth Financial Empowerment Club (Membership fee is Kshs. 1,000/=)**

It is upon you to make a choice as to the club category you have to join, you and your friends ability to pay membership fee as well as the amount of money you want to earn from each of your down lines per level. You can start from the Youth Financial Empowerment Club to test our system and up- grade slowly to any higher category or just decide on the club category you can join and promote. To up- grade to any higher club category, you must first pay the admin fee to admin mobile number as per that club category. e.g, If you are a member of the Youth Financial Empowerment club and you want to up- grade to the Royal Abraham Business club, you must pay 1,000/= which is the admin fee for that club to admin mobile number shown. Your choice will also determine how fast you will create wealth for yourself and for everyone. This is a matter of choices-so you must decide for yourself.

1. THE YOUTH FINANCIAL EMPOWERMENT CLUB:

Here as a new member you pay Kshs. 1,000/= membership fee. 250/= goes to admin mobile number for administration cost, 250/= goes to your 1st sponsor, 250/= goes to your 2nd sponsor and 250/= goes to your 3rd sponsor's mobile number. When you recruit or refer someone, you become his/her 1st sponsor, your 1st sponsor becomes his/her 2nd sponsor and your 2nd sponsor becomes his /her 3rd sponsor. When your 1st level downlines refer others, you become their 2nd sponsor and your 1st sponsor becomes their 3rd sponsor. When your 2nd level downlines refer others, you become their 3rd sponsor while your 1st sponsor now exits the 3-up forced matrix. You must always provide your 1st level downlines with your 1st and 2nd sponsor's mobile numbers together with yours for registration of their own downlines. Click on your referrals link after you login at your private Members only area to see your 1st, 2nd & 3rd sponsor's mobile numbers.

As a new member you are required to directly refer/recruit a minimum of only 2 first level downlines per week for a minimum of 10 months who must do the same over and over again up to 3rd level down.

This will total a minimum of 80 direct downlines at 1st level within a period of 10 months. This is our only set goal & program that all our new club members must stick to. To have total financial empowerment, you must have a program and implement it. You must totally commit yourself to implement this program to the dot. You must go straight to your goal-a minimum of 80 direct 1st level downlines within a period of 10 months or even earlier. It is the single aim that wins.

Wealth is absolutely out if you don't stick to one goal, one service and one program.

The man who succeeds has a program.

But there is no maximum number of 1st level new members or downlines, for recruiting new members is a continuous process. You can even recruit more than 10 direct first level downlines per week! Any new members recruited by you directly at 1st level or indirectly by members of your downlines team up to 3rd level down will constitute your massive referral commission earnings:

10 months financial empowerment program:

Level 1:	80 x 250/=	Kshs.	20,000
Level 2:	80 x 80 x 250/=	Kshs.	1,600,000
Level 3:	80 x 80 x 80 x 250/=	Kshs.	128,000,000
Your total referral commission earnings		Kshs.	129,620,000

2. THE ROYAL ABRAHAM BUSINESS CLUB:

Here the new club members pay Kshs. 4,000/= membership fee. 1,000/= goes to administration mobile number for administration costs, 1,000/= each goes to his/her 3 sponsors/uplines. When you recruit or refer someone, you become his/her 1st sponsor, your 1st sponsor becomes his/her 2nd sponsor and your 2nd sponsor becomes his/her 3rd sponsor. In this case, all your 1st level downlines recruited by you directly will first pay 1,000/= to admin, 1,000/= to you as their 1st sponsor, 1,000/= to your 1st sponsor as their 2nd sponsor and 1,000/= to your 2nd sponsor as their 3rd sponsor. This means that when you refer your 80 direct downlines, you earn 80 x 1,000/= which totals Kshs. 80,000/= at 1st level, 80 x 80 x 1,000/= which totals Kshs. 6,400,000/= at 2nd level, etc, up to 3rd level down as referral commissions. A member of this club makes money and creates wealth even faster. Members, who belong to this club live posh life, live in posh areas and drive posh cars.

The set goal, program and conditions are the same as members of the Youth Financial Empowerment club above.

SERVICES/BENEFITS OF CLUB MEMBERSHIP:

1. At our VIP members only area, you access simple and innovative financial empowerment and wealth creation strategies and tactics used by the world's wealthiest people to create massive wealth, money and abundance for all.

SUMMARY OF FINANCIAL EMPOWERMENT & WEALTH CREATION GRAND STRATEGY: *“He that is greatest among you shall be your servant”* said Christ Jesus. The word ‘servant’ means the one who offers the best service to others.

The wealthiest people on the planet are the people who offer the best services to others-not to themselves but to others.

We were all put on this planet to love God and to give love and the best services to others.

Here the word ‘others’ simply means our other selves because we are all one and part of God spiritually.

What we want for ourselves we must want for all.

This principle also applies to all great leaders world-wide since creation. To be a great leader you must serve your country to the best of your ability. Your country is simply a collection of other people in your given geographical area. To be a hero, you must lose yourself or your life in the service of others-your country.

You must find out what you love doing most and do it to the best of your ability as a service to others and all wealth will be yours! Please, mark this point. Focus all your energies on only one single service & one goal.

Remember the old proverb: “ the master of 1 trade will support a wife and 7 children while the master of 7 Will not support himself “. Success is jealous of scattered energies!

Whoever wants to be a millionaire, wealthy or prosperous in this life must offer a great service to others in his/her chosen field at a reasonable fee or price! You must give more in use value than the money you receive from others-your clients. This service can be anything-a product, profession, innovation, a great cause that will uplift the lives of others or even offer a great solution to others’ most immediate & pressing problem. Give others what they really want or take what they don’t want very far away from them- at a reasonable fee- and all the money, wealth and abundance will be yours.

In short, you acquire massive wealth, money and abundance not directly but indirectly through offering the best services to others. You must spend your life in the service of others to create massive wealth, money and abundance. It is that simple!!

Remember, “He that is greatest among you shall be your servant.” This is part of what ROYAL ABRAHAM WEALTH CREATION CLUB.COM is offering you and others as a service-financial empowerment and wealth creation strategies & tactics.
